Global Sonoma The Perfect Patient Room Solution

Sonoma™

Sonoma™ patient and resident room furniture was developed with the help of healthcare professionals, designers and patients to meet the evolving needs of people in care. Sonoma bedside cabinets support both caregivers and individuals with essential safety features, improved housekeeping and unparalleled durability. A range of models with different storage configurations suit both long-term and acute care applications.

Bedside Cabinets

Sonoma bedside cabinets keep personal items close at hand. Choose from a selection of models with drawer, shelving and door options. All have metal trim at the corners for durability and a clean aesthetic. The versatile cabinets are modular and align dimensionally with Sonoma wardrobes to maximize available space in the room. Sonoma bedside cabinets are elevated off the floor to simplify housekeeping and support infection control practices.

Wardrobes

Sonoma wardrobes are designed to meet the personal storage needs of residents in care or short-term patient care. A range of Sonoma wardrobes are available for convenient hanging, or folded drawer storage with design details, including interior door hooks, optional anti-tip security kit, drainage and ventilation openings, make every day easier for residents and/or patients. These wardrobes feature a modular design that aligns with Sonoma dressers and bookcases to maximize available space. Sonoma is elevated off the floor to simplify housekeeping and support infection control practices.

Accessories

To round out the series, Sonoma has a myriad of accessories to complete a cohesive patient room.

The Magazine/tissue holder accessory provides additional storage and quick access to magazines, facial tissue, hanging bags and other personal items.

The styrene plastic liner and organizer are designed to saddle the drawer edges for a perfect fit, while eliminating gaps and potential traps.

Other accessories include:

- Sonoma whiteboards and tackboards for the perfect place to post reminders, cards, pictures and more.
- The Sonoma memory box provides a safe place for precious mementos brought from home.
- Getting ready for the day is made easier with one of Sonoma's attractive, shatterproof mirror designs.
